Dear Madam,

In referencing the Patriot Bankruptcy, I would like to say with my health conditions and being 82 years old, it would be a critical hardship on me to lose my insurance and pension. I could not afford to purchase any insurance at my age and the loss of my pension would affect me greatly. I speak not only for myself but my fellow members as well.

We worked long hard hours and many years to make the company we worked for a success and for them to file bankruptcy to help themselves and forget about we who worked so hard for them is sure not fair in my opinion.

I am trusting you, your Honor, for the right decision in this matter, and thanking you in advance for your kind consideration.

Sincerely,

Gerald L. Dearston
