The Honorable Kathy C. Swatt - States:

Your Honor -

I am a widow of a miner who had forty years with the coal industry. Now that I am at the age of 74, there would be no chance of employment.

With serious medical problems such as Coronary Heart Disease and PAD is a great concern. Having had breast cancer with a mastectomy and chemotherapy along with ocular hypertension is not good. Adding to this is a concern about Medicare.

I thank you for your time.

Sincerely

Edna L. Miller
