EASTERN DISTRICT OF MISSOURI

Your Honor:

My name is James Greenwood and I am writing this letter to let you know a little about my past 33 years in the coal mines. People think of us as dirty, lower class workers, but that isn't true. We are GOD Fearing, hard working Americans, who have provided energy for this nation for many long years. This came through many dangers and tuff conditions that are always present where coal is mined. I am now 68 years old and live with chronic back pain in my thoracic back area from continual lifting of trail (large trail) cables. I did get surgery on my thoracic disk in 1995 but, continue with the chronic back pain. IF my back pain continues shouldn't Arch Coal continue to provide me with health care?

Greed in this nation has become so great that men have

Lost their way, Choosing wealth  
For themselves over righteousness.  
It seems as though right and  
Wrong have less space in our  
our society. Documents that secured  
our Freedom in this Nation were  
signed by men "with dignity" and  
were accepted as being legal and  
binding, but today Corporate business  
men walk away from their signed  
obligations to others.

Your Honor, please think  
about the beginning of this GOD  
Fearing Nation, that began with so  
many GOD Fearing Values and  
principles, such as ~~no forced~~ Labor  
on our chosen day of worship.  
Chapter 6 of Book of Ephesians Verse  
13, Leads us into this thing of righteousness  
this verse in King <sup>James</sup> Bible "I quote"  
'take unto you the whole armour of GOD,  
that you may be able to stand in the evil  
day, having done all to stand, stand  
therefore having your loins girt about  
with the truth and the breastplate

OF rightousness. a 'great nation',  
I believe, but no longer under GOD.  
Where is the Justice? I only pray  
that Justice reigns within your  
Court room.

Thank you and GOD Bless you
