

DEAR Judge Kathy A. Surratt-States

IN 1965 My father was one of the first to work at Hawthorne Mine (Peabody). I worked there also till 1999 when the mine was shut down. A few years ago the mine was opened back up, Non-Union mine called Bear Run. New buildings was built on the ground that was mined, when it was called Hawthorne. I have never worked for Patriot Coal.

Peabody appears to be juggling paperwork and changing names of their property so that their retirees and spouses will lose all their benefits

Thank-you

David Beck
