EASTERN DISTRICT OF MISSOURI

My name is Jimmy Hunt. I am a retired UMWA Coal miner. I have Social-Security & Miner's pension. I have worked out my retirement after 32 yrs in the Coal mines.

5 years ago Peabody Coal Set up a new Company called Patriot Coal. They set it up to dump all Retires in it. This was a way for Peabody to get out of their obligations to the miners. This Company was set up to fail, so they could cheat us out of Healthcare & prescriptions. Eventually the pensions will be effected. Peabody is responsible for this travesty.

If this is allowed to happen we will be in dire need. We need someone to understand what this will do to the Coal miners & their families. We need someone to do the right thing about this major problem.

I am 75 yrs old & my wife is 72 yrs. We are both heart patients. All the years I worked for Peabody Coal, they promised a life time prescriptions & health care.

This is also destroying the current Collective Bargaining at the active operations.

Thank you,  
Jimmy Hunt
