**Case No. 12-bk-51502-659
Jointly Administered**

Hearing Date: May 21, 2013
Hearing Time: 10:00 a.m.
Location: Courtroom 7-N, St. Louis

**DEBTORS' SECOND OMNIBUS OBJECTION TO CLAIMS
(Amended and Superseded Claims)**

Patriot Coal Corporation and its affiliated debtors (the "Debtors"), pursuant to 11 U.S.C. § 502 and Fed. R. Bankr. P. 3007, file this Second Omnibus Objection to Claims (the "Objection"). In support of the Objection, the Debtors show the Court as follows:

Relief Requested

1. By this Objection, the Debtors object to certain proofs of claim (the "Claims") listed on Exhibit A attached hereto because the Claims have been amended by subsequently filed proofs of claim. The Debtors request entry of an order, pursuant to Section 502 of the Bankruptcy Code and Fed. R. Bankr. P. 3007, finding that the Claims have been superseded by amendment and directing that the Claims be disallowed and expunged, without prejudice to any party's rights as to the amended and superseding proofs of claim.

2. **Parties receiving this Objection should locate their names on Exhibit A.** Any response to this Objection should include, among other things, (i) an appropriate caption, including the title and date of this Objection; (ii) the name of the claimant, both the EDMO and GCG claim numbers of the claim that the Debtors are seeking to disallow and expunge, and a description of the basis for the amount claimed; (iii) a concise statement setting forth the reasons

why the Court should not sustain this Objection, including, but not limited to, the specific factual and legal bases upon which the claimant relies in opposing this Objection; (iv) copies of any documentation and other evidence which the claimant will rely upon in opposing this Objection at a hearing; and (v) the name, address, telephone number and facsimile number of a person authorized to reconcile, settle or otherwise resolve the claim on the claimant's behalf. A claimant that cannot timely provide such documentation and other evidence should provide a detailed explanation as to why it is not possible to timely provide such documentation and other evidence.

Jurisdiction

3. This Court has jurisdiction over this Objection under 28 U.S.C. § 1334. Venue of this proceeding is proper pursuant to 28 U.S.C. § 1409. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2).

4. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

5. The Debtors filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code on July 9, 2012 in the United States Bankruptcy Court for the Southern District of New York.

6. On December 19, 2012, the Debtors' cases were transferred to the United States Bankruptcy Court for the Eastern District of Missouri [Dkt. No. 1789].

7. The bar date for filing proofs of claim was December 14, 2012 [Dkt. No. 1388].

8. On March 1, 2013, the Court entered its Order Establishing Procedures for Claims Objections [Dkt. No. 3021].

Objection and Argument

9. The Debtors object to the Claims identified on Exhibit A, incorporated herein by reference, because they have been amended and superseded by subsequently filed proofs of claim.¹

10. In the column entitled “Claims to be Expunged,” Exhibit A sets forth the creditor’s name, the number assigned to the Claim by the Debtors’ claims agent, the number assigned to the Claim when it was docketed on the Court’s claim register, the Debtor against which the Claim was filed, the case number and the amount and classification of the Claim. In the column entitled “Surviving Claims,” Exhibit A lists the same information for each corresponding superseding claim (the “Surviving Claims”).

11. The Debtors have reviewed each of the Claims listed on Exhibit A. The Claims and the Surviving Claims are substantially similar. Specifically, the Claims correspond to the Surviving Claims in that both refer to the same creditor, but the Surviving Claim was filed subsequent to the Claim and sets forth an amended proof of claim amount and/or an amended basis for the proof of claim. *See* Declaration of Robert L. Mead, attached hereto as Exhibit B.

12. The Debtors request that the Court disallow and expunge the Claims because the relevant proofs of claim are preserved as Surviving Claims.

13. This Objection does not affect the Surviving Claims; however, the Debtors reserve the right to object to the Surviving Claims in the future on any appropriate grounds.

¹ Certain creditors listed on Exhibit A may be clients of one or more of the law firms representing the Debtors. Any dispute regarding this Objection will be handled by attorneys for the Debtors from a law firm that does not represent the applicable creditor.

WHEREFORE, the Debtors respectfully request that this Court:

- (a) disallow and expunge the Claims; and
- (b) grant such other and further relief as is just and proper.

St. Louis, Missouri
