## Your Explanation of Benefits Medical and Hospital Claims Processed in April 2014

For ROGER L WYCISKALLA

Date: May 25, 2014

Member ID: 930204338

Plan: UnitedHealthcare Group Medicare Advantage (PPO)

### **This is not a bill:**

- This monthly report of claims we have processed tells what care you have received, what the plan has paid, and how much you have paid out of pocket (or can expect to be billed). It is called your Explanation of Benefits (EOB).
- If you owe anything, your doctors and other health care providers will send you a bill.
- This report covers medical and hospital care only.
- If you notice something suspicious that might be dishonest billing, you can report it by calling Medicare at 1-800-633-4227, 24 hours a day, 7 days a week. (TTY users should call 1-877-486-2048.)

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.

## **YEARLY LIMIT - this limit gives you financial protection**

This limit tells the most you will have to pay in 2014 in “out-of-pocket” costs (copayments) for medical and hospital services covered by the plan.

This yearly limit is called your “out-of-pocket maximum.” It puts a limit on how much you have to pay, but it does not put a limit on how much care you can get. Some items and services will not count toward that maximum. To learn more, please see Chapter 4 of your Evidence of Coverage (EOC).

- Once you have reached your limit in out-of-pocket costs, you stop paying out of pocket for all services.
- You keep getting your covered medical and hospital services as usual, and the plan will pay the full cost for the rest of the year.

### **Combined (in-network + out-of-network) limit**

In 2014, \$50.00 is the most you will have to pay for covered services you get from all providers (in-network providers + out-of-network providers combined).

As of April 30, 2014 you have had \$50.00 in out-of-pocket costs that count toward your \$50.00 combined out-of-pocket maximum for covered services.
